

Winter League Pairs Competition 2006-2007  
Saturday March 17, 2007

There was a very strong turnout in for the Men's Division 2 section, and a good show of tennis was put on at the Stadium. It turned out to be a splendid sunny day, following a brief delay in the start of the event due to early morning showers. Ladies Div 2 had a very small representation, so that a round-robin format was played, equally well fought.
